

"I feel fortunate to be teaching this country's future leaders. Our dual degree candidates are outstanding students who draw upon a cross-section of this prestigious University's faculties and disciplines."

*Dr. Orly Sade
Head of the BA program*

Programs for **OUTSTANDING** Students

Two innovative programs empower Hebrew University undergraduate students who show outstanding promise with the added value of its flagship MBA degree as they embark upon their careers. A select number of individuals who qualify for this dual degree program earn a Master of Business Administration upon completion of an additional period of study following their undergraduate degrees.

Joint Degree Programs

Joint programs for outstanding undergraduate students from
The Rachel and Selim Benin School of Engineering and Computer Science
The Faculty of Law
The Faculty of Mathematics and Sciences
The Faculty of Humanities
The Faculty of Social Sciences
The Robert H. Smith Faculty of Agriculture, Food and Environment

The Alpha Program

*For outstanding undergraduate students
in the School of Business Administration*

Outstanding students in the B.A. program of the School of Business Administration who qualify are admitted to this direct B.A.-Master degree track and graduate with both Bachelor and MBA degrees within four years of study.
